EDUCATION

Bachelor of Science in Computer Science

Georgia State University
Atlanta, Georgia
August 2017 - December 2018

**Georga Institute of Technology**
Atlanta, Georgia
January 2019 - May 2022

EXPERIENCE

UI / UX ENGINEER

WardrobeX
📅 January 2023 - Present 📍 Remote 🌐 https://www.wardrobex.io/
- An immersive Web 3.0 wardrobe marketplace featuring wallet gated routes, drag and drop 3D closets, and physics based interactions using on chain metadata. Project was originally in 2D, but I introduced 3D implementation
  – ReactJs, React-Three-Fiber, React-Spring Styled-Components, Blender

SUNNY ISLAND PEPPER SAUCE
📅 JAN 2024 - Present 📍 Florida 🌐 https://www.sunnyislandpeppersauce.com/
- An interactive headless Shopify storefront that fuses Next.js, React Three Fiber, and custom GLSL bottle animations to present real time 3D product scenes alongside live inventory via the Storefront GraphQL API.
  – ReactJs, NEXT.js, Tailwind.css, TypeScript.js, React-Three-Fiber, Adobe Creative Suite, Figma, Blender

ANTIHEROES
📅 JAN 2025 - MAR 2025 📍 Remote 🌐 https://www.antiheroes.co/
- A music portfolio hub that drives five distinct FFT powered visualizer modes—Fractal Phantom Star ray marching, Orbital Geometry, Noise, and Supershape—reacting to live audio via the Web Audio API and custom GLSL shaders.
  – ReactJs, NEXT.js, Tailwind.css, TypeScript.js, React-Three-Fiber, Valtio, Lamina, GLSL Frameworks, Blender, Spotify API

BODEGA DANES
📅 MAR 2025 - APR 2025 📍 Georgia 🌐 https://www.bodegadanes.com/
- A booking first catering platform with live on site cooking, leveraging React Hook Form and DayPicker for a seamless scheduling UX and Prisma backed persistence.
  – ReactJs, NEXT.js, Tailwind.css, TypeScript.js, Prisma, PostgreSQL,Stripe, Next-Auth Calligraphr, Adobe Creative Suite,

VAPEAURA
📅 APR 2025 - Present 📍 Georgia 🌐 https://www.vapeaura.shop/
- A lean, animated product showcase for a startup vape retailer, built for minimalism today and designed for future expansion with a Prisma powered catalog.
  – ReactJs, NEXT.js, Tailwind.css, TypeScript.js, Prisma, Tailwind-Merge, Framer Motion, Adobe Creative Suite,

UI / UX DESIGNER

SHOW NO LOVE
📅 AUG 2022 - SEPT 2022 📍 Remote
- A UI kit for an Atlanta based fashion brand that emphasizes bold typography and dynamic look book layouts.
  – Adobe Creative Suite, Figma

BLACK C.A.T.
📅 MAR 2023 - JUN 2023 📍 Remote
- A conceptual networking platform tailored for under represented communities, inspired by LinkedIn's UX patterns. Developed the full brand identity, including logos, icons, and high-fidelity prototypes.
  – Adobe Creative Suite, Figma

St. HOME RENTALS
📅 SEPT 2023 - NOV 2023 📍 Remote
- Crafted the UX/UI for a large-scale Airbnb-style home rental platform, focusing on seamless property browsing, booking, and host management. Designed the entire branding suite, logos, and symbols.
  – Adobe Creative Suite, Figma

FLOW PLATFORM
📅 DEC 2023 - JUN 2024 📍 Remote
- A paused website design project demonstrating a ready to resume state, reflecting flexibility in client engagements. . Created unique graphics and imagery to enhance the site's usability and visual identity.
  – Adobe Creative Suite, Figma
